Gainesville Rabbit Rescue brings you a once-a-month bunny adoption event at Petsmart (store #299) on 356 Monument Road, Jacksonville, FL32225, tel: (904)724-4600. You are welcome to bring your bunnies for free nail-clipping service, artisan diet and health consultation or simply swing by to meet with other bunny lovers and adaptable bunnies.

2nd Saturday of each month 11am-1pm

More than 100 bunnies at our foster homes (Gainesville, Daytona, Orlando, Jacksonville) are waiting for you. All bunnies are loved and house-trained, spayed or neutered. Care-taking guidance and home-visit (ensure a bunny-safe home) will be provided free.

Bunnies are like us: they all have their unique personalities and preferences. Tell us what you are seeking for and we will try our best to match you and your family with a bunny or a pair of bonded bunnies.

Are you ready to welcome a bunny or a pair of bunnies home?

1. Rabbits are a 10-12 year commitment.
2. While rabbits do not require vaccinations like dogs and cats, they are still considered an "exotic" species which will require you to find a qualified vet. Rabbits should still receive a year check up.
3. Is your rabbit for a child? If so, are you ready to assume the responsibility when the novelty wears off?
4. Are you able to accept and understand that a rabbit's temperament and behavior is not like that of a cat or dog?
5. Can you afford the expenses of food, hay, litter, toys, vet care, and all the other expenses that come with owning a rabbit?
6. Will your other pets and those you plan to get in the future get along with your rabbit?
7. Are you willing to keep your rabbit no matter how your circumstances change?
